Fall MONOGRAM-Identification of CIS

ACTION REQUIRED - REFERENCE
EOM-59721. 16 August 1962

1. Since COS does not maintain a rogues gallery of CIS staffers we are not able to help in identifying the staffer or the surveillants. We asked FOB to check also but they have only a few photos of local trade mission types, none of whom match those submitted with reference.
2. COS files contain no trace of Erika GOTTAROVA.
